We love local and the world around us. That's why we source everything within a 60-mile radius, using fresh, seasonal ingredients with minimal impact. Our takeaway packaging is planet-friendly too: recyclable brown paper bags plus fully compostable Vegware cups, lids, and boxes. We've also added a water machine to cut down on single-use bottles, and even recycle our cooking oil. From the food on your plate to the packaging in your hand, we're making every part of our catering as sustainable as possible.
